MISSION STATEMENT

Dejinta Beesha is a multi service community organization that fulfills its mission of helping many, one by one through active programming that is receptive to the needs of the communities we serve.
Dejinta Beesha's services include, counseling on settlement and integration services such as general sponsorship (including family reunification) housing, employment, health, legal, Ontario works, financial assistance and poverty reduction (food security), interpretation, translation assistance, advocacy, recreation and after school (tutoring and homework help), Referrals (Youth, Seniors and Children Services), community development (capacity building) and research. These comprehensive programs promote the well-being, empowerment, and stability by partnering with government, community members, partner agencies and educators to create a safe and fulfilling environment for the community in large.

I agree with the mission statement and purpose of Dejinta Beesha.
